QUALITY POLICY

Qatar Engineering and Construction Company WLL (Qcon) aims to provide our customers with the quality of goods and services that meet their required standards and purposes. We will always ensure to meet their expectations and recognize that our customer values quality.

We will focus on continual improvement of our performance, especially the areas our customers identify as the most important to them.

We shall strive to improve continuously our working environment and practices, setting objectives to assist in achieving our aim; we will measure achievement of these objectives and the effects of improvements upon our customers and ourselves.

The implementation and maintenance of a Quality Management System that conforms to the requirements of ISO 9001 is fundamental to our quality programme.
