1. Qcon Plant and Machinery Department Scope

Welcome to Qcon,

Qatar Engineering & Construction Company WLL [Qcon] is a local Qatari Company.

The Company was originally formed as Mideast Constructors [MECON] in 1974 and incorporates as limited company in 1976, a wholly-owned subsidiary of Mannai signed a landmark agreement whereby all personnel, systems, assets and continuing activities of MECON were acquired by a new joint venture shareholding company, Qatar Engineering & Construction Company WLL [Qcon].

Qcon's capabilities include on and offshore large project and construction management, fabrication, construction and installation of structures, furnaces, process and other piping; fabrication and erection of cryogenic and ambient storage tanks; fabrication and installation of modular skids; fabrication, load-out and offshore hook-up of jackets and topsides, civil, structural, mechanical, electrical and instrumentation works in connection with EPIC and general construction projects; preventive and shutdown plant maintenance and refurbishment works, plant revamping and debottlenecking works; planned maintenance management and contracting; detailed engineering services.

We take the opportunity to emphasize a number of characteristics that set up us apart from most other local and regional contractors:

ISO CERTIFIED COMPANY [NEW CERTIFICATE]

1. ISO 9001:2008 **Quality Management System**
2. ISO 14001:2004 **Environmental Management System**
3. OHSAS 18001:2007 **Occupational Health and Safety Management System**

DEPARTMENT SCOPE

- Provide services to the Qatari market by offering a wide variety of specialized and excellent condition equipment along with the qualified manpower.
- Maintain the in house fleet thru fully qualified and highly experienced team.
- Conduct site surveys to develop all needed rigging & lifting studies to the highest standards.

SERVICES OFFERED

- ♦ Rental of Equipment [stationary & mobile] & Vehicles.
- ♦ Asset Transportation, Lifting, and Rigging Design solutions.
- ♦ Manpower Supply (e.g. Equipment operators and multi skilled drivers).
- ♦ Equipment/Vehicles services (Maintenance & Repair).
- ♦ Transportation Services.

2. Mission and Vision

Department Mission:

To provide flawless Plant & Machinery Operations services to the Qatari Market and to become the preferred and reliable supplier for such services.

Department Vision:

To be recognized as a reliable and professional service provider who adds values and seamlessly supports clients' projects.

3. Our Clients

Oil & Gas Local & Regional Clients:

- Chiyada Almana Engineering LLC
- CTCI Corporation Qatar
- Dolphin Energy Ltd
- Gasal QSC
- Laffan Refinery
- Oryx GTL
- QatarGas Operating Company
- Qatar Chemical Company Ltd
- Qatar Fertilizer Company
