1. Qcon Scaffolding Department Scope

Welcome to Qcon,

Qatar Engineering & Construction Company (Qcon) is the leading **National EPC & Maintenance Contractor** in the Oil & Gas, Petrochemical, Fertilizer and Power industries.

Formerly known as **MECON**, the company was established in **1975**. Since then, Qcon has contributed immensely to the hydrocarbon in frastructural development in Qatar.

Qcon employs over 5,000 skilled personnel on permanent basis that are supplemented by short-term personnel as required to meet project needs.

Qcon Scaffolding Services:

Scaffolding is one of the new services that Qcon provides recently, we are fast growing in this field and our service covers (Estimation, Designing, Construction and rentals).

We pride ourselves in delivering the right scaffolding and access solutions for all our clients across a wide range of scaffolding needs as the following:

- Industrial Scaffolding
- Oil and gas Scaffolding
- Emergency shutdown and turnaround Scaffold
- Marine Scaffold
- Specialist Scaffold
- Construction & building Scaffolding
- Supplying certified manpower and materials

2. Mission and Vision

Our Mission:

To supply outstanding services and solution through dedication and excellence, whilst striving to surpass our competitors in quality, innovation, value and safety.

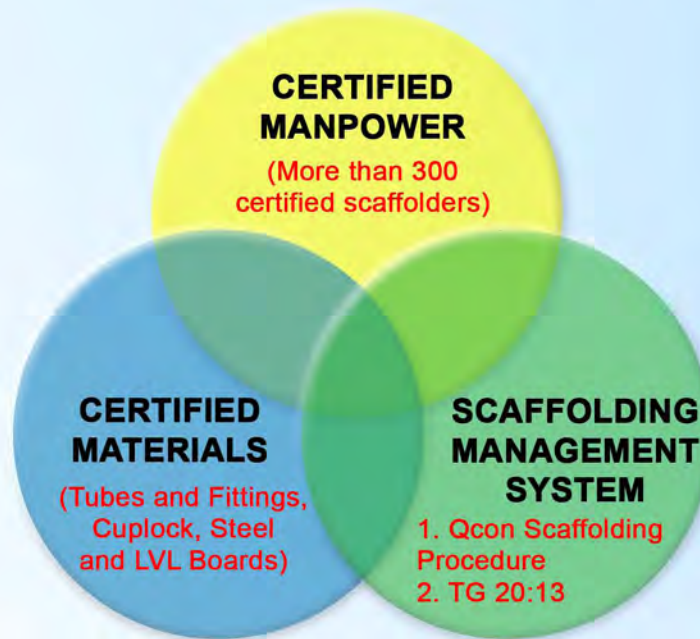

Our Vision:

To become one of the leading scaffolding service provider and preferred partner where safety compliance and quality work execution consistently dominate our priority when planning and executing any job irrespective of the size and complexity.

3. Why Choosing Qcon Scaffolding Service?

Our main goal is to provide high quality service by depending on three majors:

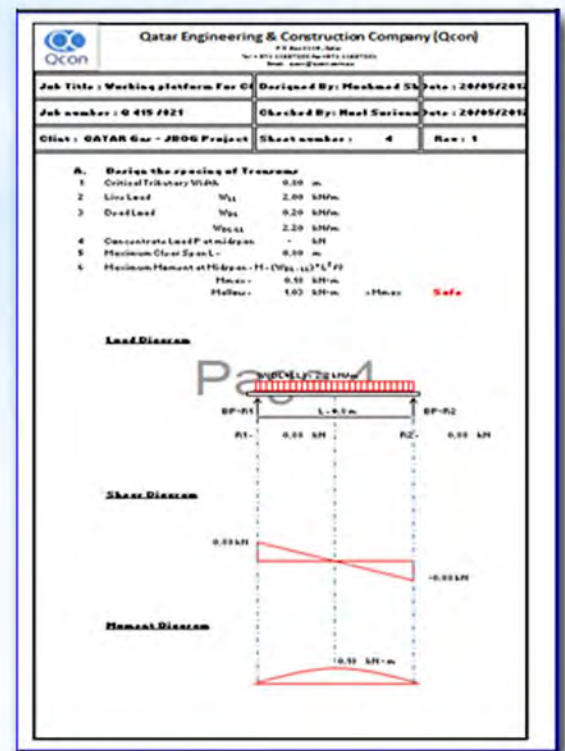

CISRS Certified Scaffolding Supervisors and Inspectors

Samples of Material Test Certificates

Samples of Design Procedure & Standards used in Qcon
